

RKH Partner Dr. Dominik Ziegenhahn Appointed as Managing Director of the Chinese European Arbitration Centre (CEAC)

8 January 2019

On 12 December 2018, the board of the Chinese European Arbitration Association (CEAA) appointed Dr. Dominik Ziegenhahn as Managing Director of the Chinese European Arbitration Centre (CEAC) (www.ceac-arbitration.com) in Hamburg. Dominik will strengthen the existing management and take over the responsibility for the administration of the CEAC cases.

In recognition of the growing economic and trade relations between Europe and China, in 2008, CEAC has been founded as an international dispute resolution institution focusing on China-related disputes worldwide. It aims to offer parties of corporate and commercial disputes a new and neutral forum of China-related dispute resolution. With its seat in Hamburg, CEAC not only offers a bridge between Chinese and non-Chinese parties but also the necessary infrastructure to successfully administer and conduct arbitration proceedings. Today, CEAC is well established within the international arbitration community and has successfully administered a variety of cases.

Dominik is specializing on cross-border corporate/M&A and dispute resolution. He has advised on several corporate/M&A transactions and disputes between European and Chinese parties and is regularly involved as counsel or arbitrator in arbitration proceedings. Moreover, he has been actively involved with CEAC for many years as board member and finance director of the Chinese European Legal Association (CELA).

“CEAC with its track record of more than 10 years will certainly benefit from Dominik’s dedication, expertise and contacts to gain even more international recognition”, says co-managing director Prof. Dr. Eckart Brödermann.
